Dr. Daniel Choy
Director
Laser Laboratory
St. Luke's-Roosevelt Hospital
421 West 113th Street
New York, New York 10025

Dear Dr. Choy:

I want to congratulate you on the wonderful work you are doing with Lasers on herniated discs. It is a wonderful development, and we are proud that as a member of the Columbia family that you played such a key role in bringing it about. Congratulations.!

Sincerely,

Herbert Pardes, M.D.
